1) Editor's Greeting:

Hello, everyone and welcome to our new subscribers! This is the 21st issue of our free monthly email newsletter for Computer IT Education, Training, & Tutorial Resources, giving you the latest Free online IT Training Resources that we have recently discovered and researched. This newsletter is free to anyone subscribing (instructions at bottom, no username/password is needed). To access our member site, however, you do need a user name and password - registering as a member of Intelinfo.com costs \$10 for six months, for more information please see below 'Become a Member of Intelinfo.com'.

My desire is that these free resources will help you with your computer education and training and are tools to advance your IT career. Our main mission is the training of those less fortunate who are seeking to become computer literate, both technically and from a user's perspective.

In this issue we describe and link to a total of 58 computer, IT and programming learning and tutorial web sites. By means of this email newsletter, you have knowledge of and access to these sites before our web site visitors do.

*** Current News ***

I have restructured the important sections of the site, creating several more pages in each of these sections:

Free IT Training & Courses:

<http://www.intelinfo.com/cat1.html>

Free IT Tutorials, Guides & Help:

<http://www.intelinfo.com/cat2.html>

Free Computer IT Books:

http://www.intelinfo.com/free_computer_books.html

I have put together a new e-book, "Understanding Computer Security", extracting the best information from U.S. government agency computer security papers and guides and presenting it in a coherent and understandable manner. My hope is that this e-book will make computer security easier to learn. As an Intelinfo.com newsletter subscriber, you can receive your Free Copy by downloading it from here: http://intelinfo.hypermart.net/Understanding_Computer_Security.zip (550 kb) - when unzipped the file is a windows executable.

Please take a minute to fill out our new website feedback form to give me your impressions about Intelinfo.com. Here it is:

http://intelinfo.master.com/taxis/master/search/+/form/Site_Feedback.html

I will let you know the results of this feedback survey in a upcoming newsletter.

I'd like to personally wish you the best of luck with your computer studies and learning.

Warm Regards,
Scott Turton

***** Intelinfo.com's Member Site *****

<http://www.intelinfo.com/sign-up/index.html>

Our new Members' Site contains the web's best computer and IT training resources and tutorials. This content is individually linked and presented in a way to expedite and facilitate your IT learning experience. We have done all the web research and presentation work for you so you can concentrate solely on your computer training.

Intelinfo.com Member Site FAQ:

1. Over half of the web sites and pages in our members site are not in the free section of our web site. The online training resources in our members' site are linked and laid out in a much more detailed fashion than those in the free section. This will save you time in finding all the best free training on the web.
2. If you use a credit card when joining, it will be billed by Verotel. When your membership period expires, you will be asked if you want to renew your membership, you will not be automatically charged another fee on your credit card or check.
3. You can also use PayPal to sign-up as a member of Intelinfo.com, just use this link: <http://www.intelinfo.com/links/become_a_member.html>. If you register to pay \$10.00 via PayPal using this method, simply tell us in the 'Special Instructions' what you want for your user name and password.
4. If your country is not listed in the drop-down list, please use 2checkout.com to register as an intelinfo.com site member using this link: <http://www.intelinfo.com/links/intelinfo_member.html>. I will then send you an email asking what you would like to use for your user name and password.

The total price to join our member's site is only \$10 total for 2 months. The funds generated will assist us to help all those seeking IT education and application development training. Here's the link to see what's available on our member's site and to sign up:

<<http://www.intelinfo.com/sign-up/index.html>>. You can email Scott Turton with questions at scott_turton@intelinfo.com.
